

NH Detoxlim introducing NH X-Tummy Duo Pack

Every woman yearns for a flat, firm and attractive abdomen without the hassle of veiling the bulges tummy while dressing up. Now NH X-Tummy can makes your dream comes true. NH Detoxlim is now introducing a new packaging of NH X-Tummy Duo Pack (2 x 50 capsules) which saves you RM30 with extra 25 capsules.

NH X-Tummy is a herbal based slimming product invented through BIO-technology, which was being launched in last year. It is targeting on abdominal fat, particularly for office working folks and people with “apple-shape” and “pear shape” body figure.

NH X-Tummy can break down stubborn fat and fatty cells around the lower body by enhancing the fat catabolism and body metabolic rate as well as stimulate bowel movement to flush out all the toxins, fats or wastes through excrement. Its uniqueness lies in its capability to improve the blood circulation and thus capable to re-firm loose skin texture and prevent fine lines.

This slimming product had been approved by Ministry of Health Malaysia, certified as HALAL and met the International GMP standard as well. Therefore, you can consume it safely. Just take 3 capsules per day before meal.

A box of NH X-Tummy with 50 capsules retails at RM59.90 (WM) or RM62.90 (EM) while the NH X-Tummy Duo Pack with 125 capsules, **only costs RM119.80 (WM), which saves you RM30**. Please ensure you get the right product, NH X-Tummy is launched **under NH Detoxlim brand** and it's having a **red color packaging** with a printed perfect abdomen image.
